Armbandjes maken

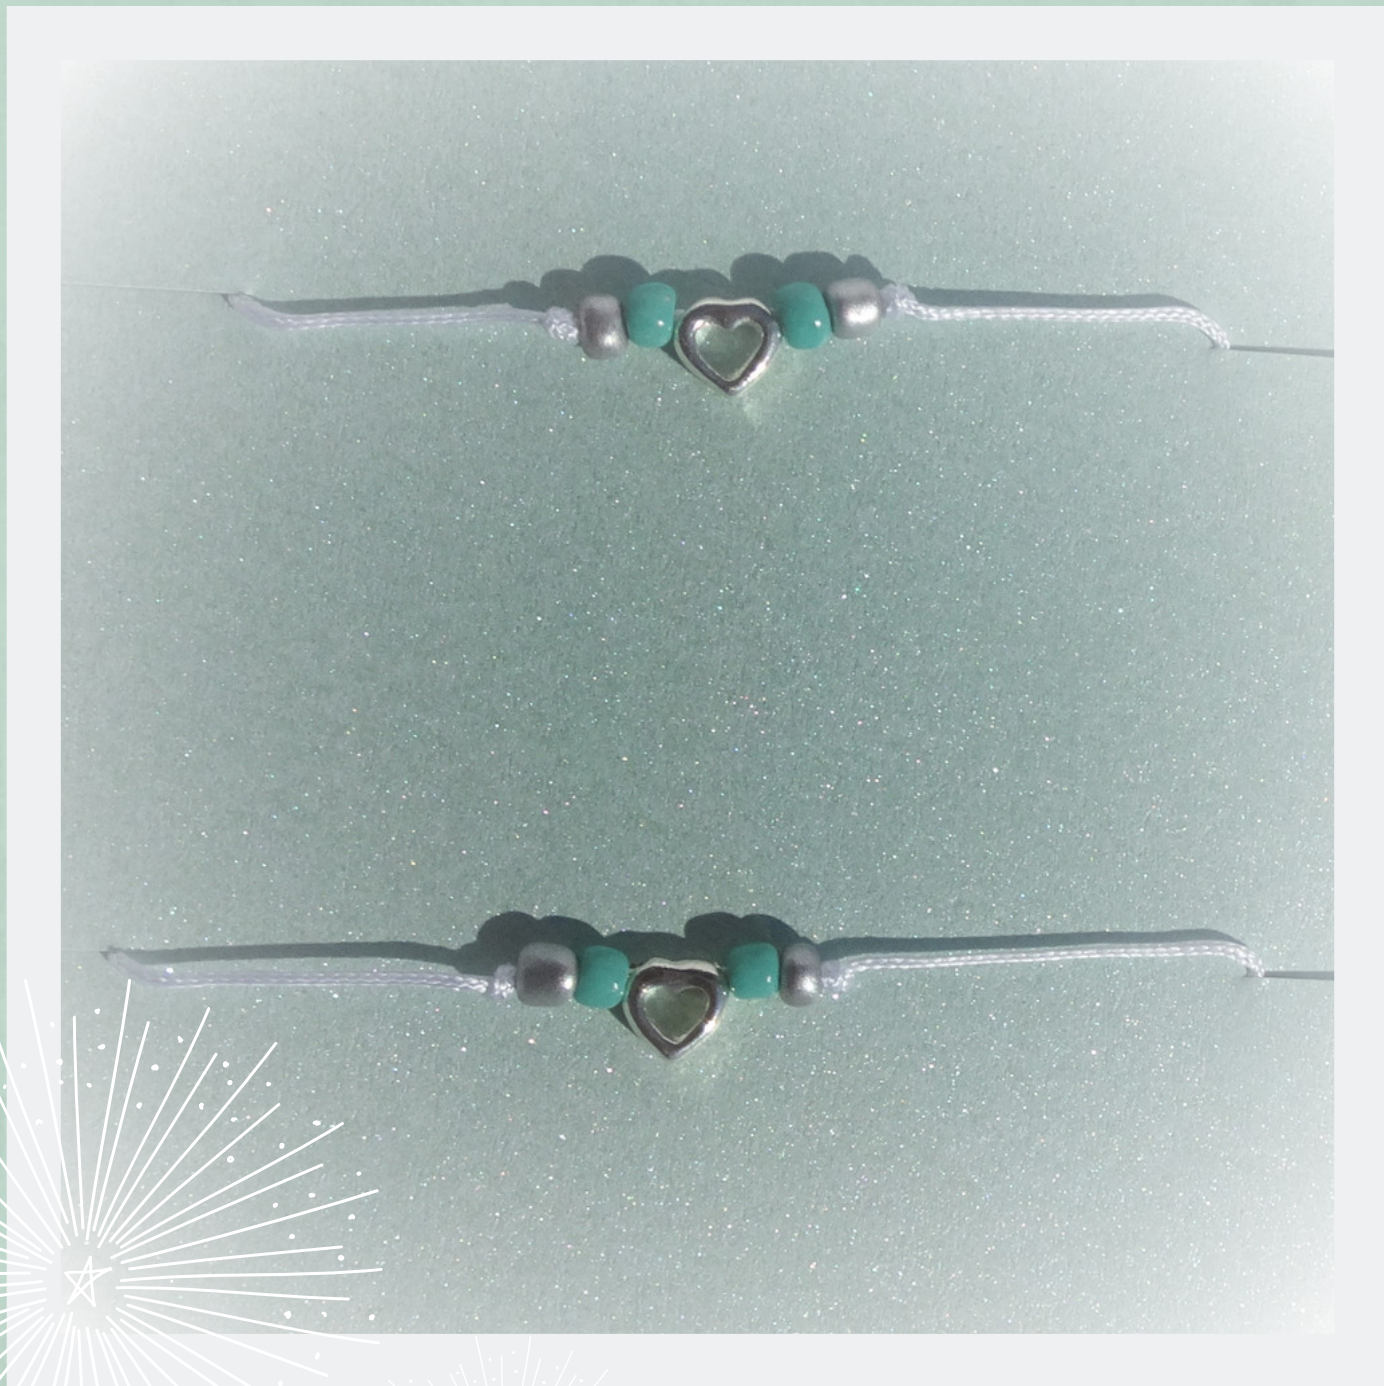

Met Pretty Pretty Beads

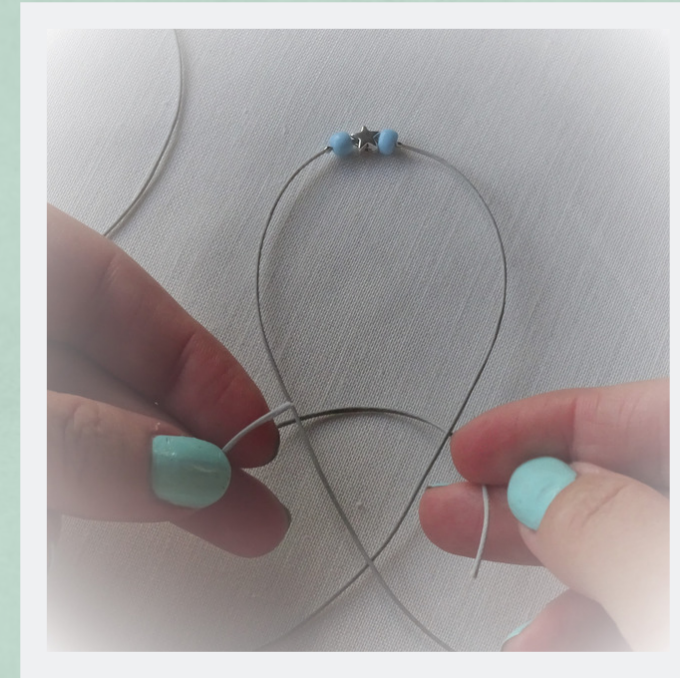

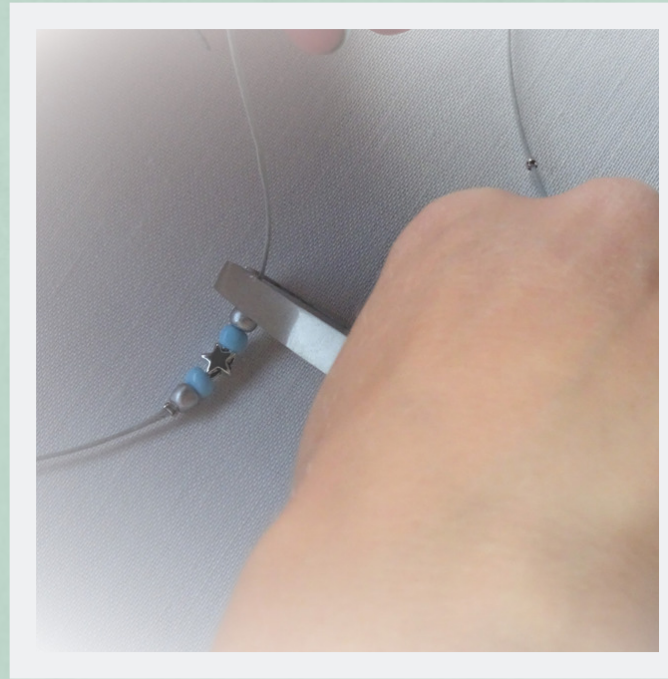

Al anderhalf jaar sponsort Pretty
Pretty Beads ons de materialen
voor al onze armbandjes.

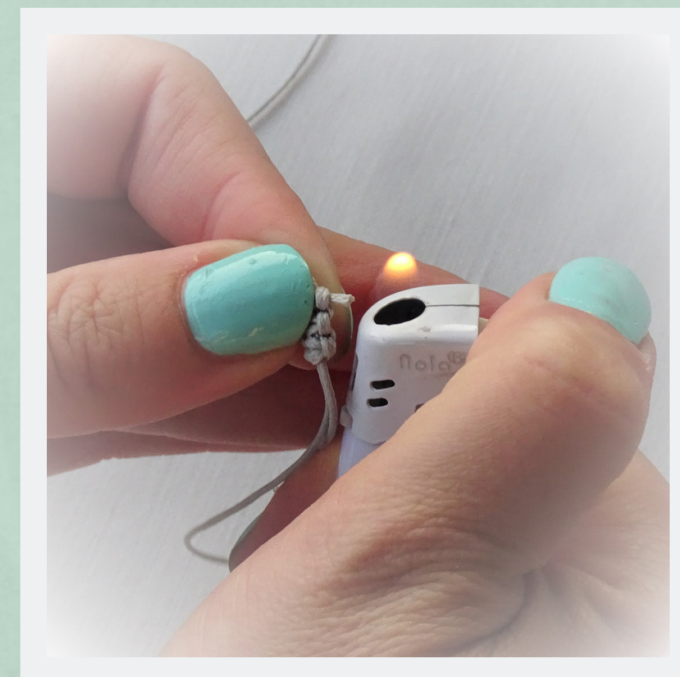

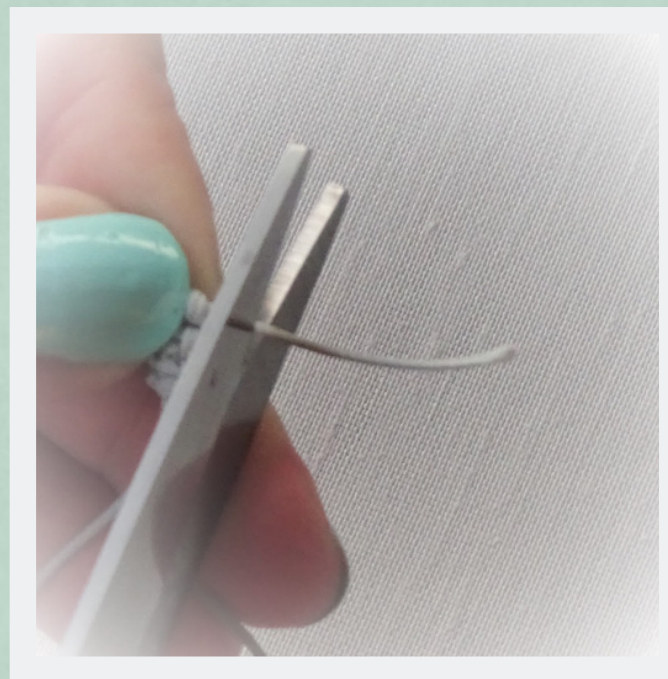

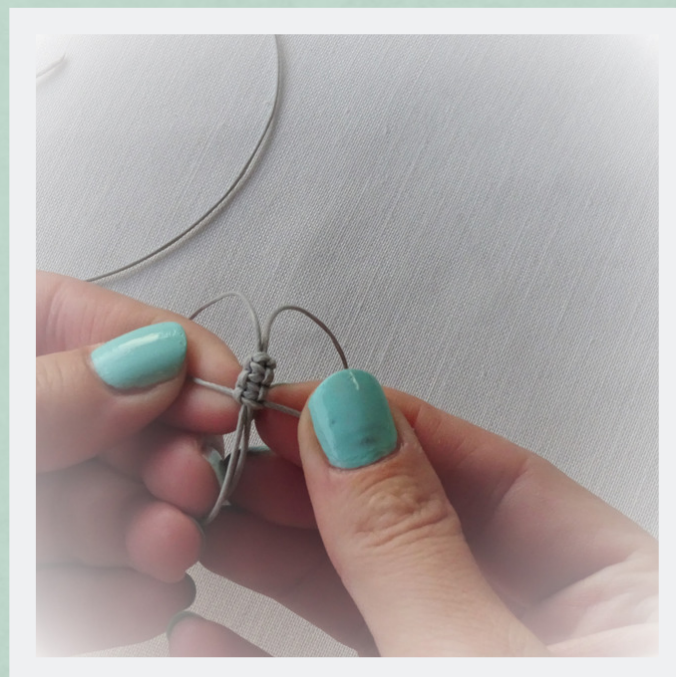

Zo kunnen we aan elke doos
een setje armbandjes
toevoegen.

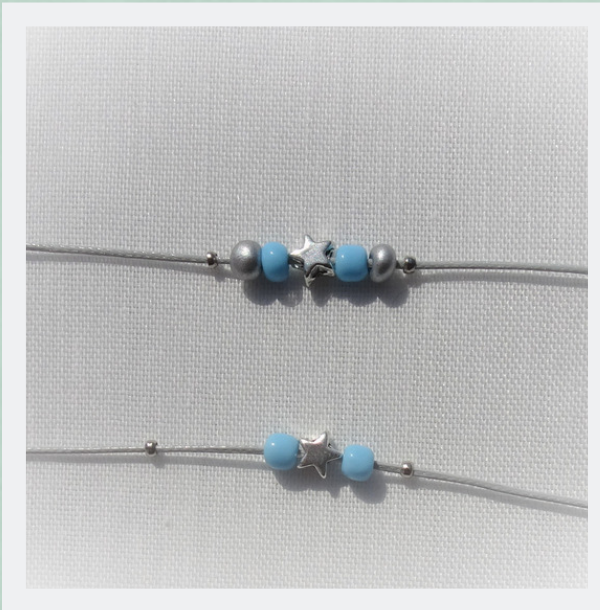

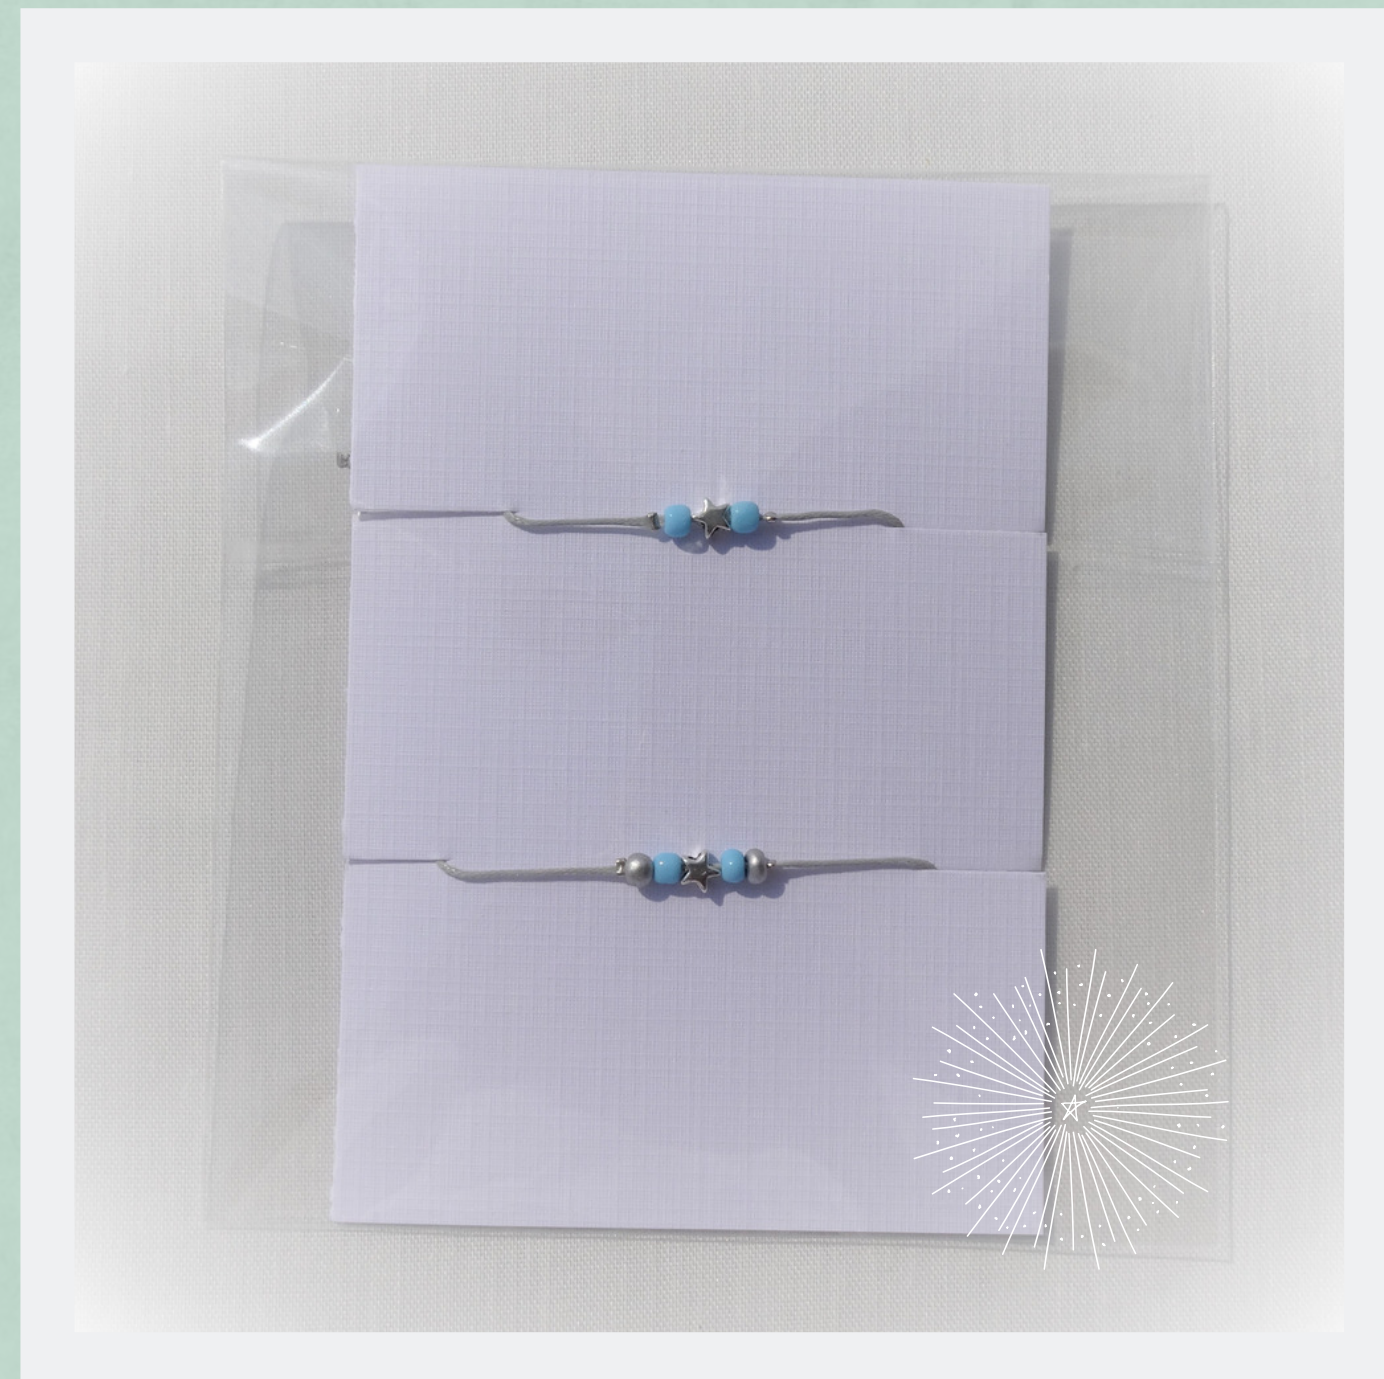

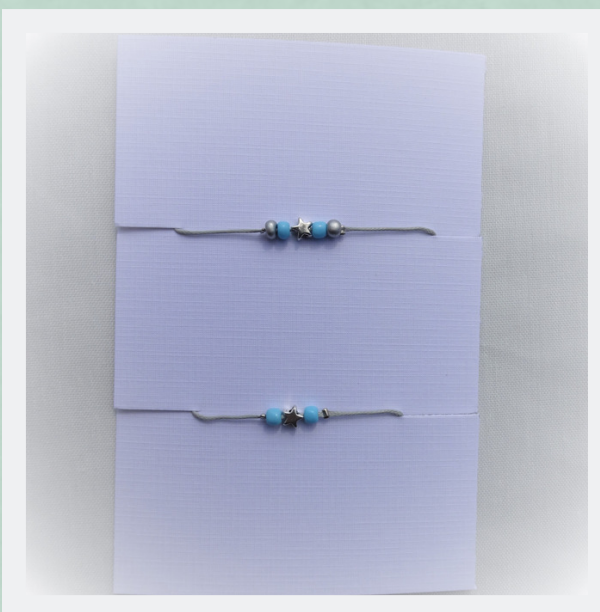

Alle armbandjes worden door ons met de hand gemaakt.

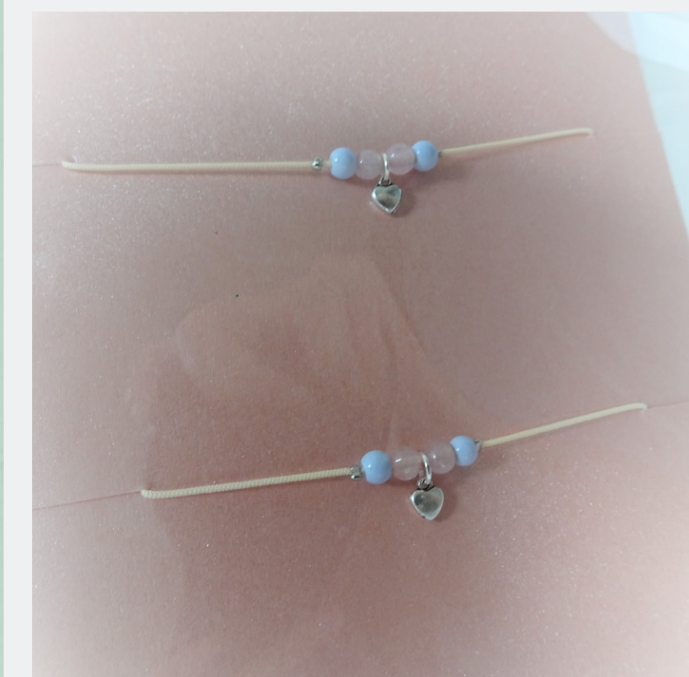

Daarna pakken we
ze met liefde in
zodat ze samen
met de andere
spulletjes in een
doos kunnen.

We maken verschillende
setjes voor de blauwe, roze
en groene doos.

Wil je het zelf ook
graag proberen, kijk
